II. Reports - Solid Waste

A. Recycling and Waste Reports

Maurer presented the waste hauling and recycling reports for the month of February. The Waste Diversion rate increased from 10 percent in January to 13 percent in February.

B. Program Coordinator's Report

Maurer presented the Program Coordinator's report that was in the packet.

Highlights include:

- *One of the DOS compactors is down for repair and should be fixed on Friday, April 4.*
- *Funding for the Scaptire Collection Events will not likely be approved by the state until June, so the Solid Waste Committee will meet next week to determine how to proceed.*
- *Maurer has been working with The Recycling Partnership as part of their free community recycling education grant and managed to acquire about \$14,000 worth of printed educational materials.*

III. Existing Business

A. Materials Management Planning Update

Maurer shared that she reached out to EGLE yesterday and they are still reviewing the county's work plan before releasing MMP grant funding.

1) Siting

The committee instructed Maurer to begin writing siting requirements for the MMP and bring it back for review.

2) Enforcement

The Sheriff will be in attendance at the next MMPC meeting to discuss enforcement.

3) Preliminary Work

Maurer shared several fliers she has created that will be ready to print once the MMP funds are approved.
